Unlock the Power of FSBPT's API!

Discover the Features

The Federation of State Boards of Physical Therapy (FSBPT) offers a robust Application Programming Interface (API) with a range of features to simplify your workflow.

🔍 **FSBPT ID Lookup** - Seamlessly find FSBPT IDs for individuals in real-time. Optimize your application process with this convenient tool.

📊 **Results Transfer** - Effortlessly retrieve all untransmitted score data for your jurisdiction. Stay up to date with your applicants' progress.

📚 **Get Exam Result** - Instantly access the latest exam result for any individual. Get exam records added to your database when you need them.

📋 **License Transfer** - Send new licenses and license updates to FSBPT effortlessly. Simplify license data sharing with this powerful feature.

🌐 **Get Compact Privilege Changes** - Receive updates on newly created Compact Privileges and status changes. Keep your records accurate and current.

Why Utilize FSBPT's API?

🚀 **Streamlined Workflow:** Save time and reduce your time to license with our efficient API features.

🔒 **Secure and Reliable:** Industry-leading security and reliability standards.

🔄 **Real-time Updates:** Keep your data current with instant access to essential information.

🎯 **Simplify Your Processes:** Achieve greater efficiency and accuracy in licensing and examination management.
